You always took a turn here..

Yeah... but this way... leads to my home also...

It's... none of your business.

Aren't you curious about how he is doing?

I think he is ill.

What ?!

He hasn't eaten in days.

Did you take him to a veterinarian?

I have to see him !

Ohh?! That figure... Is that... Sim-He ?!

Cat !!!

Oh, right ! I was told that you were so sick that you couldn't eat!

? I am not sick. I did feel very lonely though.

Did he lose weight? I can't tell by just looking at him....

He is not ill.

What?

I lind to get you here.

What ...? Why ?

It's ... the tuna can I dropped ...

He was depressed because he couldn't see you.

You mean...

You have to come here! Otherwise, he keeps beating me like a sandbag!
I was so close last time...

About time you get the message, you son of <beep>.

You mean I can come here again?

Yes, and ... I ... I am sorry about what I said at that time.

You just ...

... What?

Fix...
Rearranged

By the way...

Are you going to feed him at all?

Look at him drooling ...

Oh, right!

.....

I guess so ... I guess I won't see him anymore...

Please look after him well...

You don't need to say that. I am going to treat him very well.

Um..., do you live around here?

Yeah.

I see. See that house over there? I live there.

Ok

I can't continue the conversation...

Anyway

Huh ?

You seem to like the cat very much.

Why haven't you taken him to your home?

I do so want to...

But my parents don't want.

Did you even ask ?

Yes...

How powerless

Doesn't matter. I am going to take him to my home.

Really ?! Let me know when you are taking him out for a walk!

What ?! You want to know my cell phone number ?!

I ... didn't say that...

Here.

Your cellphone number !

Oh, okay !

Now... it is time for the final round...

Why is that son of <beep> looking at me like that...
